Director, Grievance Staff

In a memorandum to the Foreign Service Grievance Board dated May 6, 1991, the Department of State wrote that in its resolution of the grievance of [REDACTED] [REDACTED] [REDACTED], it had his performance file reviewed by a reconstituted 1990 selection board and that, as a result of that review, [REDACTED] was recommended for promotion to FE-MC. The Department informed the Board that it would interpose no objection to a recommendation by the Foreign Service Grievance Board that [REDACTED] [REDACTED] be promoted to FE-MC.

The Board has examined the Record of Proceedings in this case and, on the basis of the facts contained therein, recommends to the Director General of the Foreign Service, pursuant to Section 606(a) of the Foreign Service Act of 1980, that [REDACTED] [REDACTED] be granted a promotion to FE-MC effective the same date the 1990 Selection Board granted promotions to other FE-MC officers.

For the Foreign Service Grievance Board.
