In a memorandum to the Foreign Service Grievance Board dated December 16, 1991, the Department of State stated that in its resolution of the grievance of [REDACTED], it had his performance file reviewed by a reconstituted selection board and that, as result of that review, [REDACTED] was recommended for promotion to FS-02. The Department informed the Board that it would interpose no objection to a recommendation by the Foreign Service Grievance Board that [REDACTED] be promoted to FS-02.

The Board has examined the Record of Proceedings in this case and, on the basis of the facts contained therein, recommends to the Secretary of State, pursuant to Section 606(a) of the Foreign Service Act of 1980, that [REDACTED] be granted a promotion to FS-02 retroactive to December 30, 1990.

For the Foreign Service Grievance Board.
