ORDER: DISMISSAL

On September 22, 2010, the Board received a Request for Dismissal from the Agency based on the Agency's provision of full relief to grievant. Grievant's attorney replied on September 30, 2010 that grievant had no objection to the motion to dismiss.

Accordingly, the Board enters the Request and grievant's reply in the Record of Proceedings, and dismisses the appeal.¹

¹ As the parties have not indicated whether dismissal should be with or without prejudice, the Board makes no stipulation in that regard.
