**ORDER: WITHDRAWAL AND DISMISSAL WITH PREJUDICE**

On August 6, 2012, grievant's counsel filed a motion to withdraw (dated August 2, 2012) and a settlement agreement with attachment, which reads:

GRIEVANT, through his designated representative . . . hereby files this Motion to Withdraw. The Parties have come to an agreement, and therefore he asks that FSGB Case Number 2011-065 be dismissed with prejudice pursuant to the attached settlement agreement.

The filing was copied to the Agency, which did not object to the request.

Accordingly, the Board enters the motion, settlement agreement and attachment in the record and dismisses this case with prejudice.
